Multi-Factor Authentication Instructions for SMS

When you go to log into Fluxx there will be a requirement to set up Multi-Factor Authentication (“MFA”).

1. Enter your username and password
2. Click “Next”

On the “Configure Multi-Factor Authentication” for SMS:

1. Select “SMS”
2. Enter your mobile phone number
3. Click “Send SMS”
Multi-Factor Authentication Instructions for SMS

After you click “Send SMS”, you will receive a text message containing your MFA Token (this token will expire every 30 seconds with a new MFA Token via text message).

Example of token:

1. Enter the token value in the MFA Screen
2. Click “Login”

You will now be logged into your grantee portal.
